All State FAQs 2021

What material will my athletes perform at All State and in what order?
Your athletes will perform a jump sequence, cheer, and dance as posted in the demo video.

Does the video have to be one continuous shot?
No. You may record the sections separately and as many times as you like, however they must be combined into one video for submission.

How do I submit my video?
Please record one complete video that includes your jump, cheer, and dance. Upload your video to YouTube making it "Unlisted". The title should be your full name that was used in registration. The description should be your name followed by your program name and division. Once complete email the link to allstatewscca@gmail.com

What should my athlete wear?
Participating athletes should wear their full uniform. If you don't have a uniform wear athletic PE style attire in your team colors. Hair should be worn up and away from the face with "Game Day" presentation.

How will my athletes be judged?
Attached to this email is a score sheet. Please read through each category to see what criteria judges will be looking for. UPDATE: Your 'Jump Combo' will have a maximum of three jumps. This does not mean you must do three jumps. This means that you do not need to do more than three jumps to receive a max score in difficulty.

Can I tumble?
Due to the long period of school and program shut downs we have removed the tumbling division and request NO tumbling in any video submissions this year.

Can I use props?
The only prop that is allowed this year is poms however they are not required.

What would happen in event of a "tie score?"
Tie-breaks will be decided by the highest cheer score.

Will you post athletes scores/rankings?
We will not publicly post athletes scores and rankings, however you can email allstatewscca@gmail.com after the event and we will respond with your athlete's scores and ranking.

What comes next for my athlete if they make the All State Team?
If your athlete is named part of the All State Team, we will be reaching out to them about demoing at the WSCCA Coaches Conference. We will have different speakers, coaches and industry professionals that will need demo athletes to showcase their techniques and methods to help grow cheerleading in the state of Washington. What better way to do that than by letting them borrow our state's most talented athletes!? Demoing is not a requirement of making the team. We understand that is a tricky date that could have conflicts with Prom, Graduation, etc., but we are excited to have as many athletes as possible available.

Who can I contact regarding payment issues or challenges?
Any payment related questions, please email our WSCCA Treasurer, Sheryl at wsccabookkeeper@gmail.com Please also 'cc' allstatewscca@gmail.com & wsccawebmaster@gmail.com.
